## ETHICAL PURCHASING NETWORK PRODUCT GUIDE

---

**cfs-fcées**  
services

### STRENGTH IN NUMBERS

By combining orientation material orders from students' unions across the country, we can achieve economies of scale. By purchasing in bulk, we can buy high-quality materials at substantially lower prices than any campus group could secure individually. The Canadian Federation of Students and our trusted partner brings workers and purchasers closer together so that we know exactly how our materials are made.

### FAIR TRADE AND UNION-MADE

Through this service, students' unions impact the orientation and promotional materials industry. By deciding to only purchase union or cooperatively made materials other companies feel obligated to offer products that are made under ethical conditions.

### SWEATSHOP-FREE CAMPUSES

Holding a sweatshop-free orientation week or adopting a sweatshop-free purchasing policy is an easy way to promote ethical labour standards. This service provides students' unions with union and cooperatively made materials to ensure that our campuses are sweatshop-free.

### SUSTAINABLE MATERIALS

Products offered through the Network incorporate environmentally responsible components including re-spun mill-ends in all textile products and recycled plastic and paper in other durable products.

### ORDER DEADLINES

This year due to the ongoing global pandemic, timelines and timeframes for orders have been greatly affected. We will be contacting each individual group regarding their order once they let us know the products they are interested in.

### PLACING AN ORDER

An order sheet can be found at the end of this catalogue. Complete the order sheet and email it to [ethicalpurchasing@cfs-fcee.ca](mailto:ethicalpurchasing@cfs-fcee.ca) or place an order by calling us at (613) 232-7394.

Please email the graphics that you will be using in vector format, if you need assistance please let us know.

**Please note final prices will depend on logo and the amount of colours used.**

### ORDER INVOICING

All invoices will be issued courtesy of the Ethical Purchasing Network's trusted partner, Cavan Advertising. Invoices will be issued once products have been shipped.

### ADDITIONAL PRODUCTS

Other products are available that can be customized with your local or club branding. Please contact us to get pricing on any products you would be interested in.
