

# VOTE FOR CLIMATE JUSTICE AND A LIVEABLE PLANET

## TIME TO BE BOLD

### AT THE POLLS

**This election, Students need federal leaders who will enact bold solutions to the climate crisis, including:**

Bold policies towards decarbonization that limit some of the most lethal and devastating impacts of global climate change for our generation and those to come, **while putting justice for Indigenous people, workers, and the poor at the centre of the transition to a green economy.**

**A fully-funded post-secondary education system** that will ensure effective just transition programs and foster mitigation and adaptation research in all fields of study

By heading to the polls in big, bold numbers, students can ensure their issues are priorities for the next government.

**Students are voting for bold, progressive policies.**
